## **SPRING BREAK 2022 PROGRAM**

The students will work with Claudia to:

- Make music come alive, transform their pieces, and set the mood and feeling to tell a story.
- The art creation time in the program will be used to write the story and create a series of drawings along with captions to support the storyline.
- A variety of props, reference books and collector children's books in the studio will engage students in broadening their scope in artistic design. If students have props (small figurines, toy animals, trucks, parachutes, Lego pieces) they would like to bring from home they are welcome to use in the class.
- A masterplan will be crafted to enable students to put together a miniature stage setting for their story. Encouraging a vivid imagination, originality and creative thinking will spur the students to new heights in self-expression.
- A series of photographs that the student takes in class will support the story.
- Fun balloon dress-up surprise!
- A performance of the selected choice of music from of each student will be recorded live in the studio.
- As the grande finale, students will have their finished art portfolio that tells their creative story, their photography, and their piano performance, synchronized on their flash drive. This is wonderful to keep and showcase their multi-talents to friends and family! There will also be a celebration with an organic homemade strawberry shortcake treat for the students to enjoy.
- Each student's story will be praised and presented in class.
- Free Art Portfolio sketchbook, and a daily snack are included in the price
- **Price \$100.00**
- Time: 9-12 noon daily for 5 days
- Program runs on Monday March 21-25 or Monday March 28-April 1, 2022

## SUMMER 2022 PROGRAM

Our summer arts-music program includes:

- The entire Spring Break program, as well as:
- Short "plein d'air" excursions for kids to enjoy nature photography and a treasure hunt for photo opportunities in our own 2016 Community in Bloom award-winning garden oasis.
- Fun balloon dress-up surprise!
- As an extra highlight, each student's favorite 3 photographs will be printed with a beautiful glossy finish (one 8"x10", the 2<sup>nd</sup> as a 5"x7", and the 3<sup>rd</sup> as a 4"x6"). These choice photographs will be mounted on a professionally made matte that will be placed on an easel for exhibition in the garden setting. Parents and friends will have an opportunity to admire them. The photographs on the matte will be given to the students as a special souvenir to take home.
- There will be a celebration with an organic homemade strawberry shortcake treat for the students and their guests to enjoy with coffee.
- Free Art Portfolio sketchbook, and a daily snack are included in the price
- **Price \$125.**
- Time: 9-12 noon daily for 5 days
- Program runs on Monday July 11-15 or Monday July 25-29, 2022
